- 916 m² plot

Property Description

Villa in Costa Nova Javea for reform. A good investment opportunity is this 2 bedroom & 2 bathroom detached villa set within a quiet cul de sac. Currently has no pool but plot offers space for one to be constructed.

The property is traditional in style, distributed over 1 floor comprising of entrance through glazed naya. Good size living / dining room with fireplace. Separate kitchen with exterior access to rear terrace. 2 bedrooms, 1 en suite bathroom and 1 further bathroom.

Equipped with hot/cold air conditioning in bedrooms. Electric heating via radiators.

Set within a good size plot of 916 sqm with various terraces, low maintenance gardens, BBQ terrace + pergola area for shaded al fresco dining. Entrance gates to large driveway with parking for several vehicles.

If you are looking for a villa in Javea under 400.000 Euros and in need of reform work, this might be the villa for you! Contact us today to register your interest.
